# Do you keep chickens, ducks, geese...

Help protect your birds from the risk of **#birdflu**

## Did you know?

There is a constant risk of bird flu in the UK from wild birds. As it's highly contagious take action to protect your birds from catching it.

## Remember

Any very sick birds, or unexplained deaths, must be assessed by your vet. By law suspicion of bird flu is notifiable and can affect poultry movement and trade.

## Tip 1: Cleaning

Clean footwear before and after visiting your birds. Keep areas clean and tidy, and regularly disinfect hard surfaces. Humanely control rats and mice.

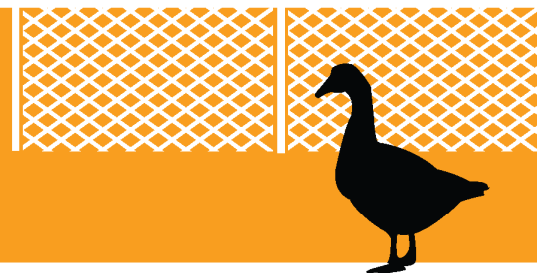

## Tip 2: Feeding

Place your birds' food and water in fully enclosed areas that are protected from wild birds, and remove any spilled feed regularly.

## Tip 3: Fencing

Keep your birds separate from wildlife and wild waterfowl by putting suitable fencing around the outdoor areas they access.

## Tip 4: Stay aware

<http://animalhealth.system-message.co.uk>

Sign up for free online to receive alerts on any outbreaks of bird flu, and register your birds on GOV.UK.

## Poultry Club of Great Britain Notice of Annual General Meeting

Will be held on

**Sunday 20th October 2024 at 10:00am**

**ALL MEMBERS OF THE POULTRY CLUB ARE INVITED TO ATTEND**

## President's Welcome

It gives me great pleasure, after not being able to have poultry at a National Show since 2019, in welcoming all exhibitors and commending this schedule to you.

I'm sorry for this year we will not have a waterfowl section. The show and the venue was planned before the ban on showing waterfowl was lifted.

We look forward to receiving your entries and welcome your support. Do not forget your C.P.H. number which is a legal requirement. Entries cannot be accepted without it.

I would like to thank all our generous sponsors for their support which is very much valued and appreciated, contributing to the success of the show and the work of the Poultry Club.

The National Show committee together with the Board of trustees are working tirelessly to plan this show. There are also many ways you can help make the show go well, volunteers are very much needed to help and assist on the Friday and over the weekend. Don't be shy, as much or as little time as you can spare would be gratefully received.

Parking is free of charge at the Showground.

The Poultry Club A.G.M. will be held on the Sunday morning which will follow a short Ecumenical Service at which fanciers who have died will be remembered.

All guidelines and rules regarding biosecurity will be followed throughout the weekend. If you are not a member of the Poultry club or a lapsed member do seriously consider joining or renewing your membership.

I am looking forward to meeting you all on this most sociable of occasions and as your President I am delighted to be back amongst poultry shows. Do enjoy the show.

Best wishes to you all, Liz Allonby

### **CHAMPIONSHIP POULTRY JUDGE**

Mr John Barry

### **CHAMPIONSHIP EGG JUDGE**

Mr Simon Windle

# 2024 National Championship Poultry & Egg Show

## Committee & Officials

Chair	David Pannell
Vice-chair	Lee Grant
Show Manager	Andy Marment
Show Steward	David Pannell
Entry Secretaries	Jim Young & Karen Griffiths
Safeguarding Officers	Claire Flower & Jim Young
Trophy Stewards	Elizabeth & Ian Allonby
Egg Steward	Bill Oldcorn
Championship Row Stewards	Derek Wakeham & Jackie Stanley
Juniors & Juvenile Section Steward	Claire Flower
Welfare & Bio-security Officer	Lee Grant
Volunteers Co-ordinator	Linda Law
Hon Veterinarian	Robin Creighton, BVet.Med.MRCVS
Veterinary Support	Anita James, MRCVS & Josh Kittle
Trade Stand Stewards	Paul Kerfoot & Lee Grant
Committee	Colin Booth, Jon Grubb, Linda Law & Tom Davies
Photographers	Rupert Stephenson & Josh Kittle

### **Ecumenical Service of Worship**

This will be led by Ian Allonby on Sunday 20th October 2024

at 9:15 :am location: Upstairs Meeting Rooms

Everyone is welcome to come along and join in our services.

## ADMISSION TO THE SHOW

A **FREE** two-day Admission Ticket provided to members when their show entry exceeds **6 birds** or **18 plates of eggs**. Multiple tickets issued pro-rata for higher entries.

### ADMISSION TICKET PRICES:

<b>PRE BOOKED (Two day ticket)</b>	Adult	£12.00
	Concessions	£ 9.00
	Children under 16	FREE
<b>ON THE DOOR</b>	Adult	£15
	Concessions	£10
	Children under 16	FREE

## CLASS ENTRY FEES

A two tier price structure applies: one for paid up Members of The Poultry Club and one for Non-members. Non-members joining with their entry pay the member rates.

### **Poultry Classes**

Members	£8.00
Non Members	£16.00

### **Juvenile Classes**

Members	£2.00
Non Members	£4.00

### **Egg Classes**

Members	£2.00
Non Members	£4.00

### **Photographic Competition and Art Competition**

Members	£2.00
Non Members	£4.00

Please keep a record of your entries and check them carefully when you receive your penning slip.

**ENTRIES CLOSE ON MONDAY 23rd SEPTEMBER 2024**

**Enter online at: [nationalshow.poultryclub.org](http://nationalshow.poultryclub.org)**

# GENERAL SHOW NOTES

This show will be entirely cashless—please bring alternative payment methods.

Wristbands must be **worn** so that they are clearly visible to the door stewards on entering the show hall so that congestion in the doorway is minimised. Wristbands will be on sale throughout the weekend.

Catalogues will be on sale at the entrance and Information Desk after 11:00 hours on Saturday and Sunday morning - subject to availability.

This show is held in support of The Poultry Club, registered charity (Reg No 298415).

Photographers: photographs only allowed if a steward is in attendance.

**IT IS YOUR RESPONSIBILITY TO ENSURE THAT YOUR ENTRIES ARRIVE ON TIME.**

**ANY LATE ENTRIES WILL NOT BE ACCEPTED.**

## PENNING TIMES

**Strictly no admittance for birds without a completed declaration form.**

Exhibitors may pen their stock on :

FRIDAY entry between 18:00 and 19:30 hours. Show Hall doors close at 20:00.

SATURDAY MORNING between 06:30 and 08:30 hours.

PLEASE NOTE: THE TIMES ON FRIDAY WILL BE STRICTLY OBSERVED.

## CAR PARKING AND SAFETY REGULATIONS

- ◆ All access routes must be kept clear at all times and offending vehicles will be removed.
- ◆ Disabled parking is available - Disabled Badge must be displayed.
- ◆ Car parking is free to exhibitors and visitors
- ◆ In the show halls, free access must be available at all times and the designated gangways must not be obstructed so that the fire escapes are readily available.
- ◆ The show halls and wider building is a **NO SMOKING** area.
- ◆ **CCTV is in operation** in all areas of the show and car park.

**ENTRIES CLOSE:**

**MONDAY 23rd SEPTEMBER 2024**

**Enter online at: [nationalshow.poultryclub.org](http://nationalshow.poultryclub.org)**

## YOUNG HANDLER COMPETITIONS

**Class: 208 Junior Handler (Free Entry)**

**Class: 209 Juvenile Handler (Free Entry)**

The competition will take place at 11:00 hours on Saturday 4th December 2021 and the criteria against which it is judged are:

Quality of Exhibit	25 points
Knowledge of Exhibit	25 points
Show preparation	25 points
Handling	25 points

Juniors are aged 5 to 10 years on the day of the show.

Juveniles are aged 11 years to 16 years on the day of the show.

Special awards will be made (please state the size and breed of the exhibit where requested)

**Judge:** Mr I Simpson

Please note: Show Regulation No 19: A parent or guardian must accompany all Junior Handlers at the time of judging.

-x-

| Best Juvenile Bantam Soft Feather Light |                                 |
| Best Juvenile Bantam Hard Feather       |                                 |
| Best Juvenile True Bantam               |                                 |
| Best Juvenile Rare Breed                |                                 |
| Best Juvenile Egg Exhibit               |                                 |

# NATIONAL CHAMPIONSHIP POULTRY AND EGG SHOW REGULATIONS

The National Championship Show is held under The Poultry Club rules with the following additions:

1. During periods of increased disease risk to our national flock, any bird showing signs of respiratory disease during inspection will be prohibited from entering the gathering. In addition, all other birds from the same owner and/or place of origin will also be excluded. This measure is a recommendation from the authorities responsible for the control and prevention of notifiable avian diseases in the UK. Entry fees will not be refunded when birds are excluded on health grounds. Bio-security rules and prevention measures for Avian disease must be adhered to by all exhibitors.
2. All birds must enter in clean carriers/boxes with clean bedding. All carriers/boxes must be solid sided and/or secured in such a fashion that bedding cannot fall out of carriers during transit/entry.
3. Cockerel and pullet classes refer to birds hatched on, or after, 1 January in the show year.
4. No bird from a trio or pair is eligible for single bird specials. A trio or pair is classed as one exhibit and must remain intact.
5. Exhibits may be delivered and staged at the Show Hall between 18:00 and 19:30 hours on Friday, 18th October, or between 06:30 and 08:30 hours on Saturday, 19th October 2024. Last admittance on Friday 18th October 2024 is 19:15 and the show hall closes at 20:00. No admittance outside these times without prior permission of the show manager.
6. Exhibitors must complete a declaration including their unique CPH number before admittance to the show.
7. All birds must be penned by 08:30 hours on the Saturday. No late admittance.
8. Feeding and watering will be the responsibility of the exhibitor. Breed Clubs will check that unattended exhibits are fed and watered after judging. Feed and water will be supplied.
9. No exhibits may be removed before 14:00 on Sunday, or until all the birds are accounted for. Only the Show Manager can give the go-ahead to release birds from the Show Hall. Egg exhibits can be boxed from 13:00 and poultry from 13:30. This will be strictly adhered to.
10. No classes will be cancelled, amalgamated, or divided.
11. The appointed judge will award the Breed Club Specials reserved for Breed Club Members, the distribution of the Specials will be the responsibility of the various Clubs concerned.
12. *The Poultry Club Trophy cards will be placed on relevant pens.*
13. *Exhibits entered in incorrect classes are liable to be excluded from competition.*
14. *It is permissible for birds to wear only a single closed Poultry Club official leg ring or wing tag (includes Isle of Man, EU and 2009 BWA rings), so long as they do not indicate in any way the actual ownership of exhibits, or otherwise identify them with their exhibitors. This is to be the only form of identification.*
15. Only birds entered in the show will be permitted in the show hall.
16. All birds will be inspected on arrival at the show hall and the Organisers or their Stewards reserve the right to search show boxes at any time.
17. The Poultry Club disclaims all responsibility for lost or mistaken exhibits.
18. No entries can be accepted without correct entry and membership fee. From 2024 we are moving to electronic payments. Incorrect entry fees are liable to lead to exclusion. Entry fees, pre-paid catalogue, admission, postage & other fees made at the time of entry are non-refundable in the event of non-attendance.
19. A parent or guardian must accompany all Junior Handlers at the time of judging.
20. If the show is cancelled after the closing date for entries, The Poultry Club reserves the right to treat any entry fee up to £30 as a donation.

Please remember to return your trophies to the show or make arrangement for their return  
with Elizabeth Allonby (01768 372222) or David Pannell (07429 258158)

# About Avian Influenza

## How to spot avian influenza

There are 2 types of avian influenza. Highly pathogenic avian influenza (HPAI) is the more serious type. It is often fatal in birds. The main clinical signs of HPAI in birds are:

- swollen head
- blue discolouration of neck and throat
- loss of appetite
- respiratory distress such as gaping beak, coughing, sneezing, gurgling, rattling
- Diarrhoea
- fewer eggs laid
- increased mortality

Clinical signs can vary between species of bird and some species may show minimal clinical signs (ducks and geese).

Low pathogenic avian influenza (LPAI) is usually less serious. It can cause mild breathing problems, but affected birds will not always show clear signs of infection.

The severity of LPAI depends on the type of bird and whether it has any other illnesses.

Anyone who keeps poultry must keep a close watch on them for any signs of disease, and must seek prompt advice from their vet if they have any concerns.

## How Avian Influenza is spread

The disease spreads from bird to bird by direct contact or through contaminated body fluids and faeces. It can also be spread by contaminated feed and water or by dirty vehicles, clothing and footwear.

The avian influenza virus changes frequently, creating new strains, and there is a constant risk that one of the new strains may spread easily among people. But there is no evidence that any recent strain of avian influenza has been able to spread directly between people.

Avian influenza is not an airborne disease.

## Advice for the public

Some strains of avian influenza can pass to humans, but this is very rare. It usually requires very close contact between the human and infected birds. Based on what is known about the H5N8 strain, the risk to public health is considered very low.

There have never been any recorded cases of H5N8 in humans. More information on [avian influenza in people](#) is available from your relevant public health authority.

The *Food Standards Agency* advises that bird flu does not pose a food safety risk for UK consumers. Properly cooked poultry and poultry products, including eggs, are safe to eat.

If you employ people who work with poultry or work with poultry yourself, you can also read [Health and Safety Executive advice on protecting workers from avian influenza](#).

## Wild birds

If you find dead wild waterfowl (swans, geese or ducks) or other dead wild birds, such as gulls

or birds of prey, you should report them by calling Defra's national helpline: **03459 33 55 77**.

By collecting and testing those birds, the Government can better understand how the disease is distributed geographically and identify the species affected.

APHA (Animal and Plant Health Agency) publish a report (updated regularly) on findings of highly pathogenic avian influenza (bird flu) H5N8 in wild birds in Great Britain.

### **Further information**

Visit the websites below:

England [www.gov.uk/guidance/avian-influenza-bird-flu](http://www.gov.uk/guidance/avian-influenza-bird-flu)

Wales <http://gov.wales/topics/environmentcountryside/ahw/disease/avianflu/?lang=en>

Scotland [www.gov.scot/avianinfluenza](http://www.gov.scot/avianinfluenza)

Northern Ireland <https://www.daera-ni.gov.uk/articles/avian-influenza-ai>

They have also produced the following GB guidance document: Biosecurity and preventing disease in captive birds

See the DEFRA advice sheet How to Keep your Birds Safe (whilst the sheet has been produced for use in England, the principals within it are universal in terms of biosecurity of poultry).

**Source:** [www.gov.uk/guidance/avian-influenza-bird-flu#about-avian-influenza](http://www.gov.uk/guidance/avian-influenza-bird-flu#about-avian-influenza)

## **Biosecurity Information for Poultry Gatherings Participants**

Participants must familiarise themselves with the symptoms of Avian Influenza and other notifiable diseases and should take all reasonable steps to minimise the risk of spread of such diseases through adopting pro-active biosecurity measures including, but not limited to:

- Minimise the movement of birds between enclosures, and between sites
- Ensure clean footwear before and after visits, and between sites
- Take steps to deter wild birds, particularly waterfowl
- Feed and water birds under cover and remove any spillages
- Execute an effective programme of vermin control
- Maintain good cleanliness and hygiene, regularly disinfect hard areas
- Secure poultry enclosures with appropriate fencing to deter wild birds
- Use of disinfectant mats or foot dips between buildings

### **Before entering a poultry gathering, participants must:**

- Not enter if the place of origin of the birds is within an area of the UK which is under restrictions relating to notifiable avian disease (including Prevention, Protection and Surveillance Zones)
- Not enter birds that have attended a poultry gathering in the previous 14 days, or if new birds have been brought onto the premises of origin in the past 14 days
- Inspect the health of all birds at the place of origin before departure
- Not move birds if there are any signs, or suspicion of any disease
- Transport birds in clean solid-bottom and sided carriers

- Use clean bedding material at the start of the journey, on the date of departure, which must be contained within the carrier at all times.

### **On arrival to the gathering, participants must:**

- Present themselves visibly clean, free from faecal contamination, feathers, or other bedding matter with unsoiled footwear or over-boots
- Present a signed declaration, confirming:
  - The CPH number of the premises of origin
  - The origin of the poultry is not from within a restricted area
  - The identified birds are healthy, and
  - They will follow the instructions of the poultry gathering licence
- Ensure their birds remain isolated from all other birds, until each has been individually inspected by a named poultry expert
- Present each carrier (and each bird therein) for a health inspection before entering the gathering
- Be prepared to surrender any bird that fails the initial health inspection into isolation for a further examination by a veterinary surgeon, or in the case of suspected Avian Influenza, an APHA veterinary inspector
- Assist in the clean-up of any spilled bedding (from carriers) immediately by double-bagging and spraying with an approved disinfectant for use against poultry diseases – supplied by the poultry gathering organiser.

### **At the end of the gathering participants must:**

- Remove all their birds and carriers from the gathering venue
- Inspect each bird for signs of ill health, notifying the gathering organiser and/or poultry expert if disease is suspected
- If disease is suspected; isolate those birds for a veterinary inspection and if Avian Influenza is suspected APHA must be notified immediately (as per the organiser's Contingency Plan)
- In the case of suspected Avian Influenza, no birds should leave the premises until an APHA veterinary inspector has permitted the movement.

### **On Return to the place of origin, gathering participants must:**

- Inspect the general health of all birds before removing from the carrier
- Isolate birds returning to the place of origin for a minimum of one week, observing their health throughout that time
- Notify the gathering organiser immediately if ill health or disease is suspected
- Dispose of waste material from the carriers, ideally through heated composting for a minimum of 42 days then applied to land as fertiliser
- Not re-enter any birds (existing or purchased) to participate in a gathering for at least 13 days after returning from another gathering.

## **Notice to Exhibitors : Exhibitors Information & General Data Protection Regulation (GDPR)**

The Show Committee have taken the decision that due to the requirements of GDPR, exhibitors personal details including name, address and telephone will no longer be listed in our National Championship Poultry & Egg Show Catalogue. Only the exhibitor's name will be shown against their entry in the classes. We are aware that some exhibitors and visitors found the listing very useful in their search for new stock and in order to facilitate this we are able to offer a new Poultry Breeder business card service in our catalogue. Examples of the templates can be found on the next page and there are 3 packages available.

### **Breeders Business Card Adverts Options**

Option 1 - National Championship Poultry & Egg Show Catalogue only £10.

Option 2 - National Championship Poultry & Egg Show Catalogue and 2025 Year Book £20.

Option 3 - National Championship Poultry & Egg Show Catalogue, 2025 Year Book and 3x Newsletters £30.

To Book your Poultry Breeder Business Card, please book and pay with your show entries by entry closing date. One of the Show Committee will then be in touch to discuss the design of your business card.

If you would like to discuss this further please contact Lee Grant: [lee.Grant@poultryclub.org.uk](mailto:lee.Grant@poultryclub.org.uk)

Putting your pets first

## Back to showing?

### For the best results follow the Garvo programme

#### Chicks

Includes freshwater shrimp!

For a fantastic start:

**1075 Alfastart Chicks** then **1080 Alfamix Chicks**

OR

**701** mash or **702** mini-starter pellet

#### Breeding/Growing

**717** breeder or **718** breeder (2mm)

Allows gradual development to prevent them laying too young which can compromise their mass, and comb and leg colour.

#### Pullets/Hens Cockerels

Pullets **714** pullet grower until the show

Cockerels use our **723** until the show

Contains extra carotene for a beautiful yellow leg colour

#### White Feather

For white feathers use **703 pullet** or **725 cockerel**.

Do not give any mixed corn or access to grass until feather are full formed.
